

T. W. Garrison.

State House Oct-12
1863

Dear Sir;

¹⁰² Mr ^{W.D.} Linway
desired me to ask you
if the Liberator wishes
to pay for any letters
from him, of which
the enclosed may be the
first. He is no longer
engaged solely for the
Commonwealth, but is
at liberty to send letters
elsewhere. As you
send him the Liberator
without charge, you are
at liberty to print this
without any other pay-
ment, only if you do
so, please not to mention
Linway's name in that
connection.

[Faint, illegible handwriting on lined paper, possibly bleed-through from the reverse side. The text is mirrored across the page.]

I spoke to you some
time since about some
Port Royal Sermons & he
sent to England, If
Mr Garrison has
copied them will you
be so good as to forward
them to me here or
at the Customs office?

I will return
the album in a day
or two to Mr Wendell
Garrison, with such
autographs as I can
obtain.

Yours very truly
J. B. Sauber

Mr Conway, address must
be changed to

16 Lansdowne Terrace
Regent's Park, London N.W.
